

Dear SLR enthusiasts,

It is done!

We are proud and full of drive to fill now the club with life.

According to the motto **THE SLR.CLUB – COMBINING THE BEST** we would like to explain the idea of our new club, by using some key words.

EXCLUSIVE. The SLR.CLUB is THE community of SLR owners.

The community being made up of gentleman drivers as well as automobile connoisseurs whose club does not aim at any commercial goals.

FRIENDS. We are pleased about every new encounter with worldwide SLR owners.

Actually, many friendships have been born within the SLR.CLUB over the last few years. The network consisting of enthusiasts as well as friends should be maintained and expanded.

QUALITY TIME. We would like to spend little leisure time together with special moments, interesting encounters with a lot of fun, pleasure and enthusiasm around the automobile and in particular with our SLR.

SPIRIT. The frequently quoted special spirit of the SLR.CLUB needs to be maintained, developed and passed to the next generations.

MERCEDES-BENZ. The SLR.CLUB wants to back demanding Mercedes-Benz support with regard to special SLR subjects, such as availability of spare parts, services as well as workshops.

COMMUNITY. The worldwide SLR.CLUB network offers support in answering questions around the SLR. No matter if you are a collector or a frequent driver, the existing SLR.CLUB community is provided with a broad knowledge. We are also willing to share this knowledge with new members. For example, the community offers possibilities on the issues of insurance for your SLR.
