The Tour de Provence takes you along wonderful routes in the south of France. Turning south through

the Luberon National Park, you next come to Sainte Baume and Brignoles – with en route driving fun all part of the package! The tour ends in Le Castellet. Tour 2 sets off in a north-easterly direction. Le Castellet – Aups – Draguignan – Le Castellet: almost 300 km of French country life, magnificent nature and a hinterland full of poetry.
