Midnight Sun – Safety Briefing

## Overall Rules – Convoy Driving

- Please pay attention to the instructions of your convoy guide
- Please adhere to the specified departure times
- Please keep your speed in line with the driver behind you
- Please keep a close contact to the driver in front of you
- Remember to keep a safe driving distance (e.g. 100 Km/h – 50 meter distance)
- Please do not fall back from the group, but keep an eye to the driver in front of you
- In case of interruptions please give a flashing signal to the driver in front of you
- Please turn on your lights throughout the entire journey
- Please always keep your given positions and do not overtake in the convoy
- The group fuels and stops together at the given stations stated in the road book
- If you loose contact with the group please call your team guide via the radio
- If you have to leave the convoy because of an emergency, please contact your team guide first

## Traffic rules

## Traffic rules

- Please note that speeding will be fined! For example 6-10 km/h too fast are charged by 1350,00 NOK (150 Euro). Even 4 km/h allows the policeman to put 3 km/h more on it and asks you to pay up
- Since 1 January 2001 there is a drink-drive-limit of 0,2 per mill. A fine will be charged from 45.000 NOK (6.500 Euro)
- Talking on the mobile phone while driving is in Norway also strictly forbidden. A fine is charged by 1500 NOK (220 Euro)
- Other offences like driving over a continuous line are charged by 1500 NOK (220 Euro). Please note the requirement to wear a seat belt. Especially after a short break it is quickly forgotten fasten the seat belts. The fine amounts to 750 NOK (120 Euro)

## Communication

- For the communication within the convoy please use always the radio. Your team guide is the responsible contact person for all concerns.  
Please follow the instructions
- Please let the radio in the car after every stage. Our service team takes care of maintenance
- In case of loosing the radio contact please call your Convoy-Leader or  
**+49 177 278 278 0**

## Navigation System

The SLR. CLUB. proudly presents GARMIN as the official supplier of navigation systems for the Midnight Sun Tour.

## Navigation System

- Routes will be programmed for start every morning and after stops.  
In any case of problems please contact your guide
- Route Activation on the route:
  - Choose the button „Zieleingabe/Enter destination“
  - Choose the option „Favoriten/Favorites“
  - Choose the corresponding destination  
(please check your roadbook for the next stop)
  - The navigation system will guide directly to the next stop where you will meet the group again
- The navigation system shows permanent radars on the route, but this is not a 100% permanent warning system!

## The SLR-Convoy

Enjoy your stay...

...let's have an exciting SLR. CLUB. Event together!
